

September 15, 2020 EIC

Next meeting October 8th TBD

District Improvement Plan for 2020-2021

- Not all goals completed last year because of Covid
- Goal #1-Maintain 37% at Meets
- Goal #2- communication: Increase 10% (Spanish and English format)
- Goal #3- police presence: 10% decrease in discipline; officers assigned to campus to help build rapport- no rotation, anti-bullying program, home visits
- Goal #4- Safety audits for each facility to be completed every 3 years
- Goal #5- college and career readiness, continued from last year
- Goal #6- diversity, training financial stability in fall and mental awareness in spring
- Goal #7- continued from last year, job fair in late October for those with bachelor's degree that are interested in teaching
- Goal #8- increase enrollment to get maximum funding; Covid has decreased enrollment
- Aligned with core beliefs and commitments

Questions and clarifications about DIP goals:

Daniel Fitzgerald: On call outs, does that include text messages?

Edna Garcia: yes, they all are included. Texts are most effective.

Ashley Mayberry: Do we need to address/have a goal for getting online kids to participate better?

Edna Garcia: Not a goal yet, but it may need to be looked at. More students are beginning to come back to in person instruction.

Tina Bettis: You had mentioned about an online teacher. Could you expand upon that?

Edna Garcia: K-3 has virtual teachers, 4-12 is doing both platforms

Roberts: Do we know when computers will be coming in for students?

Edna Garcia: They are ordered. Coming late October or early November.

District change to policy is requesting teachers wear a mask all day rather than just face shields.
