Plainview ISD  
Career and Technical Education

Notification of On-campus Requirements

Plainview ISD has identified 16 Career and Technical Education (CTE) classes that need to occur in a face to face environment. These courses require specialized equipment, direct supervision of hands-on activities, and/or specific materials and technology. The appropriate amount of on-campus instruction is paramount to meet the TEKS and award course credit.

This notification ensures students have an option to select courses that can be remotely completed if desired. Families may choose different courses that can be satisfied in a fully remote setting in place of the courses listed below.

Plainview ISD CTE courses requiring on-campus instruction include;

- Introduction to Welding,
- Welding I and
- Welding II
- Culinary Arts I
- Advanced Culinary Arts II
- Practicum in Human Services
- Instructional Practices Practicum
- Animation II
- Career Prep
- Advanced Floral Design
- Ag Mechanics
- Greenhouse Operations
- Robotics II
- Audio/Video Production I
- CNA
- Pharmacology

For more information, contact Kevin Parker, Associate Principal at PHS in charge of CTE, via email [kevin.parker@plainviewisd.org](mailto:kevin.parker@plainviewisd.org) or by phone at 806-296-6005. Plainview ISD is committed to providing quality instruction to all students, in-person or remote. Communication serves a critical role in ensuring student success.

Sincerely,

Robin Straley  
CTE Director  
Plainview ISD
