CHAPTER 25. ADMISSION, TRANSFER, AND ATTENDANCE

Sec. 25.085. COMPULSORY SCHOOL ATTENDANCE. (a) A child who is required to attend school under this section shall attend school each school day for the entire period the program of instruction is provided.

(b) Unless specifically exempted by Section 25.086, a child who is at least six years of age, or who is younger than six years of age and has previously been enrolled in first grade, and who has not yet reached the child's 19th birthday shall attend school.

(c) On enrollment in prekindergarten or kindergarten, a child shall attend school.

(d) Unless specifically exempted by Section 25.086, a student enrolled in a school district must attend:

(1) an extended-year program for which the student is eligible that is provided by the district for students identified as likely not to be promoted to the next grade level or tutorial classes required by the district under Section 29.084;

(2) an accelerated reading instruction program to which the student is assigned under Section 28.006(g);

(3) an accelerated instruction program to which the student is assigned under Section 28.0211;

(4) a basic skills program to which the student is assigned under Section 29.086; or

(5) a summer program provided under Section 37.008(1) or Section 37.021.

(e) A person who voluntarily enrolls in school or voluntarily attends school after the person's 19th birthday shall attend school each school day for the entire period the program of instruction is offered. A school district may revoke for the remainder of the school year the enrollment of a person who has more than five absences in a semester that are not excused under Section 25.087, except a school district may not revoke the enrollment of a person under this subsection on a day on which the person is physically present at school. A person whose enrollment is revoked under this subsection may be considered an unauthorized person on school district grounds for purposes of Section 37.107.

(f) The board of trustees of a school district may adopt a policy requiring a person described by Subsection (e) who is under 21 years of age to attend school until the end of the school year. Section 65.003(a), Family Code, does not apply to a person subject to a policy adopted under this subsection. Sections 25.093 and 25.095 do not apply to the parent of a person subject to a policy adopted under this subsection.

(g) After the third unexcused absence of a person described by Subsection (e), a school district shall issue a warning letter to the person that states the person's enrollment may be revoked for the

remainder of the school year if the person has more than five unexcused absences in a semester.

(h) As an alternative to revoking a person's enrollment under Subsection (e), a school district may impose a behavior improvement plan described by Section 25.0915(a-1)(1).

(i) Notwithstanding any other provision of this section, a student enrolled in a school district is not required to attend school for any additional instructional days described by Section 48.0051.
